experience

June 2010 - Present

Visual Designer

Dapper/Yahoo, San Francisco, CA

Worked closely with engineers and project managers to create dynamic flash/HTML5 banner ads, site take overs, and sales mocks.

June 2008 - August 2008

Intern

Firewood, San Francisco, CA

Collaborated with creative director to design flash animations, websites, direct-mailers, product packaging, identity, and logos.

June 1997 - September 2002

Production Artist

Social Studies School Service, Culver City, CA

Constructed catalog pages from editor's dummy boards, and designed catalog and book covers.

skills

Photoshop, Illustrator, Indesign, Dreamweaver, Flash, actionscript 3.0, CSS, FTP, and some shell commands. I am comfortable using the Mac OS or Windows.

recognition

2007

Graphis annual for new talent.

Personal logo featured
